A few reminders

- Reading diaries should be in school every day. Children are responsible for changing their own books as required.
- Homework will be handed out every week and should be returned to school by the following Friday.
- Medicine - if you need the class teacher to administer medicine to your child, you need to complete a form from the office, which need to be signed by yourself and the class teacher.
- P.E is on Fridays, with swimming starting after half term in addition to this.
- We are continuing to practise times tables at school, this is a key priority for us and it would help if your child could practise at home too.

A big cheer!

The Year 3 team would like to thank you for the support given with reading. It is a school expectation to read with your child for at least 10 minutes every night, even if they are a competent reader! It has a huge impact on so much of your child's school life and future. When you read, please remember to write a short comment and date in your child's reading diary.

Yours sincerely,

The Year 3 Team
