

January 2025

Dear Parents/Carers,

SPRING TERM 2025

Happy New Year and best wishes for 2025. This term is already proving to be a very busy one. As we prepare the children for SATs, we will be extending our numeracy and literacy sessions to include booster lessons. We are very fortunate to have the assistance of some very experienced teachers who will be leading revision sessions in numeracy, grammar, 1:1 and targeted groups.

The tests will take place between **12th - 15th May**. Please put this date in your diary as it is **very important that all children are in school that week!**

Other curriculum areas

PE - Football/ Gymnastics

Geography - Extreme Earth

Science - Electricity

Computing- Programming with variables

Spanish - Around the Home

PSHE - Dreams and Goals

RE- Beliefs in the Community

DT - Famous Chinese Inventors

The homework timetable remains the same: Monday - literacy & numeracy. Thank you for your support with homework. Spelling and grammar, comprehension and maths homework are directly linked to work the children have covered during the week.

Reading Diaries

You will find teacher comments but please add your own and sign it; the children can also read independently and write their own comment about what they have read. The expectation is that they read every day for at least fifteen minutes; please endeavour to read to and/or listen to your child as it makes a significant difference to their confidence, while developing a better understanding of a wider vocabulary.

Year 6 Shropshire Residential 2025 - Wednesday 18th - Friday 20th June 2025

Deposits for the residential are due in by the 7th February, instalments can be made on Arbor to spread the cost. We will also be holding a meeting where we can explain the plans and answer any questions.

Yours sincerely,
The Year 6 Team
