

PE and Sport Premium

Haydn primary School Sports and PE Funding 2021-2022 Summer Progress Report

Haydn Primary and Nursery School recognises the importance of PE and Sport. The additional funding in school £16000 is used to ensure the pupils at Haydn receive the very best in education in PE.

Sports funding allocated by the Government has been used to:

- Fund the salary cost of our specialist sports coach who delivers lessons 2.5 days a week throughout school.
- Develop CPD in PE through team teaching and staff training led by a specialist coach.
- Fund supply for PE lead to be released 3 days throughout the year to carry out monitoring activities.
- Provide equipment and resources for PE and sport across all key stages.
- Provide extra curricular activities for KS1 and KS2 pupils in football, athletics, dance, tag rugby, cricket and agility sessions.
- To engage in inter school competitions
- To introduce pupils to a variety of games and sports

Monitoring

The Senior Team and PE subject leader regularly review the impact of sports funding throughout the year and measure the impact on pupils.

Impact

PE provision remains a strength in our curriculum as pupils have many opportunities to develop key skills in games and try new sports that ignite their desire to stay fit and healthy. Talent is spotted and pupils are encouraged to take up after school provision or access sport in the community. Participation in team games is strong and achievement is celebrated through certificates or published in our weekly newsletter.

Woven through the provision is the **Haydn Mile**; this takes place 3 times a week for pupils in Year 1-6 and the pupils develop stamina and resilience as basic fitness improves throughout the year. The Sports page on our website showcases the achievements in Sport in 2021-2022
